

FARMER WINS GHS63,000 IN FANYOGO COOL CHOP PROMO

He said, "despite the challenges posed by the COVID-19 outbreak in Ghana during the period of the promo, Fanmilk was poised to conclude it and reward its customers."

He said FanMilk ascribes strongly to the One Planet, One Health vision of its mother company (Danone), which seeks to promote healthy eating and environmental sustainability.

"We have brought this vision to life within the COVID-19 crisis by donating generously to support frontline health and security professionals."

"In these trying times, we believe the cash rewards will help alleviate the plight of a few lucky people who emerged winners and change their lives for better."

Launched on February 14, 2020, the final of the Fanyogo Cool Chop Promo was held in Accra on May 28, 2020.

In addition to the Greater Accra event, other winners will be presented with their prizes at Fanmilk Regional Offices across the country.
